Antioch Woman in Millionaire Drawing

A 70-year-old Antioch woman has qualified for the million dollar drawing in the Illinois State Lottery.

She is Alvina Willett, who lives on highway 173 in Channel Lake, about three miles west of the village.

The lifelong Antioch resident will go to the millionaire drawing which probably will be held about Feb. 1 at a place yet to be determined.

ALVINA BOUGHT her lucky ticket in Chicago just before Christmas. It matched the two numbers, 593 and 468, in the millionaire game. The drawing date was Jan. 2.

Her ticket already is worth \$500 and she is assured of another \$1,000 when she attends the millionaire drawing.

Lottery officials estimate there will be about 150 to 180 persons in contention for the million dollars, which is distributed in sums of \$50,000 for 20 years.

There also will be \$10,000 winners.

Lottery officials report that a \$10,000 ticket recently was sold to a Milwaukee man at the Antioch Moose Lodge.

MRS. WILLETT soon will be notified as to the date and place of the millionaire drawing.

"Everybody says I should be so excited," Alvina said, "But I don't want to work up to a big letdown. It hasn't excited me

too much yet, but maybe if I win more money I'll go to pieces."

Alvina said she buys two lottery tickets every week and checks the numbers at Reeves Drug Store in downtown Antioch.

SHE WAS visiting her daughter in Chicago just before Christmas and said:

"Oh, darn, I'm not in Antioch to buy my tickets."

"They sell them here too, you know," her daughter reminded

her. So they each bought two tickets at a Chicago drugstore.

"I took the first two," Alvina said. "If my daughter had taken them she would have been the winner."

"I don't want to get my hopes

too high," Alvina said.

She's trying not to get excited about the millionaire drawing, but all of her friends are excited for her. All of Antioch will be watching the results of the next millionaire drawing.

Chamber Dinner-Dance Reservations Closing

Reservations will be accepted until Thursday noon for the annual Dinner-Dance of the Antioch Chamber of Commerce

and Industry.

Invitations have been sent to all members and their guests.

Reservations can be made with Dinner-Dance Chairman Pres Reckers at the State Bank of Antioch (395-2700) or with Chris Pionke at the Chamber office (395-3381).

The event will be at Lorenz's Smart Country House with a cocktail hour from 7 to 8 p.m., followed by a prime rib dinner and dancing.

F. James Lumber will be installed as president of the Chamber for 1975.

Jack Siegmeyer will become the new first vice-president; Bill Barr, second vice-president, and Dennis Johnson, secretary-treasurer.

THE ANTIOCH NEWS HOPES YOU HAVE A HAPPY DAY.

F. JAMES LUMBER

Will be installed as president of Chamber.

AWARDS FROM THE FOUR SQUIRES clothing store are being given to Antioch High School basketball players after each home game. The coaches select the "most valuable player." Displaying their awards (from left) are: Mike Perrone, who has won two of them; Mike Witt, Scott Kimball and Jack Siegmeyer, manager of the Four Squires store in Antioch. "We feel this helps build team morale, personal pride and self dedication," Siegmeyer said, "along with promoting healthy competition between team members." He said Four Squires hopes to extend the award presentations into next fall's Antioch football games.

CABL Plan Gets Okay

The signing of a pre-annexation agreement, to annex the CABL property to the village of Antioch, has been recommended by the village planning commission.

The petition will now go to the Zoning Board of Appeals which may set a date for a public hearing.

The CABL property includes 150 acres of land north of the Upper Grade School.

Representatives of CABL and local school districts 117 and 34 told the plan commission last Thursday that they have

reached an agreement which will be in the form of a signed contract at the time of the public hearing.

In other action, Village Engineer Frank Angelotti presented a plan for the extension of Depot St. to the west (eventually to Tiffany Rd.) and said he would present the plan to a committee of the village board for further consideration.

CLC News

American Cancer Society representative, Harriet Gallagher, will present a program on breast cancer in the College of Lake County Quiet Lounge at 2 p.m. on Wednesday, Jan. 22. The film, "Breast Cancer, Where We Are" will be shown and proper techniques of self-examination will be illustrated.

CLC health service director, Jacquelyn Hassett, urges women to attend the free program.

THE COLLEGE of Lake County will host an American College Testing Program (ACT) workshop for high school counselors on Tuesday, Feb. 11, beginning at 8:30 a.m.

Tom Wares, ACT regional director, will explain the

effective use of profile data and the complex area of financial aid.

According to Wares, the workshop is designed to describe how ACT can better assist counselors and be more beneficial to students.

The workshop is free and open to high school counselors.

TED NUGENT and the Amboy Dukes are the featured performers in a College of Lake County informal dance Saturday in the College Center on the Grayslake campus.

Open to the public, the dance begins at 8 p.m. Admission price for CLC students with ID's is \$4 per person. The general public must pay \$5.

Halfway House Needs Help

The Young Men's Fellowship of Lake County has launched a drive to raise money to cover the cost of relocating the existing Halfway House program.

Halfway House is now operating in a Waukegan-owned facility and the city government has asked the Fellowship to vacate the building by mid-1975.

The Fellowship hopes to raise several thousand dollars in the next few months and use the money as a down payment on a new Halfway House, preferably in the central Waukegan area.

Contributions, or requests for more information, can be directed to the Fellowship offices at 32 N. Utica St. in Waukegan. The phone number is 244-2882.

Employment Survey Here

Local representatives of the Bureau of the Census will conduct a survey of employment in this area during the week of Jan. 20-24, Forrest P. Cawley Jr., Director of the Bureau's regional office in Chicago announced today.

The survey is conducted monthly by the Bureau for the U.S. Department of Labor in a scientifically designed sample of households throughout the entire United States. Employment and unemployment statistics which are based on results of this survey are used to provide a continuing measure of the economic health of the Nation.

Total employment, as measured by the monthly sample survey of households, declined by nearly 800,000 in November to 85.7 million - a level approximately that of a year earlier. Until this decline, employment has been advancing although slowly and unevenly, throughout the year.

Antioch Has Had Few Serious Crimes

An article in last Thursday's issue of the Chicago Tribune gave the impression that Antioch has a high rate of violent crime, burglary and theft.

Village officials are wondering where in the world the Tribune got its facts and figures.

"Violent crimes," said Antioch Police Chief Jack Wells, "are listed as murder, rape, robbery and assault. The village of Antioch has had no murders, no rapes, and we have had two robberies in 1973 and two robberies in 1974."

"We had 16 assaults in 1973," Chief Wells said, "which in most cases were due to family-type calls or minor tavern-type fights. In just a few cases medical attention was required for the people involved."

"In 1974," the chief continued, "we had only six assault cases reported and this is a decrease of 62.5 percent."

"The theft rate for our village in 1973 was 189 reported," the chief said, "and in 1974 we had 200 cases. This is an increase of 5.8 percent."

Chief Wells said these figures are from the Illinois Uniform Crime Report submitted by the police department on a monthly basis.

"We might add," the chief said, "that in the overall crime picture Antioch is now 5 percent lower in our overall total crime index. We of the police department are doing our utmost to do even better. We also feel we have a good and

safe community to live in and, with the cooperation of our citizens, it can even be better."

Chief Wells said that the Department of Law Enforcement will publish a report

sometime in February covering crime statistics from the reports they have compiled from actual police records.

The Tribune listed crime rates for every community in

Cook, Du Page, Kane, Lake and McHenry counties. It said the figures were the result of a month-long study of crime in suburbia.

"In most suburbs," the

Tribune admitted, "crime is usually nonviolent and petty -- stealing bicycles, lifting tape decks from autos and swiping tools from an unlocked garage, for example."

Special Training For County Law Officers

LONG GROVE, ILL. -- Lake County law officers are going back to school to round out their knowledge of police procedures and bone up on the latest developments in the science of law enforcement.

It's all part of a pilot project in-service training institute for Lake County law enforcement officers, funded through the Illinois Law Enforcement Commission.

The four, weeklong sessions will be held in the educational complex at the Kemper Insurance companies' headquarters in Long Grove, through Feb. 7.

Heading the program is Thomas McGuire of the Police Service bureau, Illinois Association of Chiefs of Police. McGuire formerly served as director of the Police Training Institute at Northern Illinois University, DeKalb.

McGuire said special sessions will be conducted in juvenile law, traffic crash investigation, court testimonies, crime scene protection and procedure, criminal law, the civil and criminal liability of a police officer, patrol techniques, drugs, arrest, search and transporting techniques, family crises intervention and traffic law enforcement.

Highways Become Less Dangerous

SPRINGFIELD -- 408 fewer persons died in Illinois highway accidents in 1974 than in the preceding year.

State Police reports show that 1,961 persons were killed in traffic accidents here in 1974 compared to 2,369 deaths in 1973.

The national 55 m.p.h. speed limit and increased patrol by the State Police both helped reduce the Illinois highway death toll, a state official said.

Speeding violations were issued to 129,165 automobile drivers in 1974, a 50.7 percent increase over the 85,727 written in 1973.

Truckers encountered a 61 percent increase in speeding violations for a total of 24,863 arrests. The total increase in tickets written for both cars and trucks was up 52.2 percent.

The increase in arrests for driving while intoxicated (DWI) increased by 34.7 percent from 2,929 in 1973 to 3,946.

Energy Supply Still Uncertain

The most dangerous element in the nation's long-range energy outlook may be that the short-term supply picture seems brighter, according to the president of the American Petroleum Institute.

Frank N. Ikard says that, although primary stocks of gasoline and other major petroleum products are higher now than they were a year ago, the situation is still uncertain.

"Just a few per cent increase in demand, or a few per cent decrease in supply, could mean lines once more at the service station," he said at a forum on energy and marketing sponsored by the National Retail Hardware Association.

Mr. Ikard cited the possibility that consumers "may be lulled into thinking that the energy crisis has gone away—permanently" and may relax their efforts to conserve fuels.

He also warned that if some of the punitive legislation pending in Congress becomes law, the petroleum industry would find it impossible to meet the nation's future energy needs.

BARRY GOLDWATER

People Want Ford To Get Tougher

By SEN. BARRY GOLDWATER

For one of the first times in our history the American people will welcome a "tough and hard" State of the Union message from their President.

Almost every indicator on the national scene shows that U.S. citizens are ready, willing and able to be led in the difficult field of economic management.

In fact, many observers believe that the sag in President Ford's public popularity, as shown in the recent Gallup Poll, is a result of his not being tough enough.

MY OWN observations tell me that a majority of Americans are fully aware of the danger and have been fully conditioned to accept the kind of austerity actions that are required. I believe the public has become frustrated and angered at the lack of specific proposals from the Ford Administration.

The announcement that the President's State of the Union message to Congress next Monday will be a tough and hard presentation calling for fundamental changes in the economy has done much to

shore up the confidence of the American people and the business community in particular.

At the very least, the announcement went a long way to nullify some of the criticism of President Ford for going on a prolonged skiing vacation in Colorado at a time when most Americans would like to see him spending 100 percent of his time on the economy.

ONE THING we can be sure of is that the American people are not afraid of hardship when they are convinced it is necessary for the good of the country. Much of our trouble has been that nobody in top authority has actually leveled with the public and told just how serious things are and what steps must be taken to begin correcting the situation.

I believe all of us hope that the beginning of 1975 will mark the beginning of a new kind of action on the part of the Ford Administration.

It's long past time for the national government to get off the dime, go to work and tell the American people how they can best be of assistance.

The Town Crier

The answer to controversy is compromise and some politicians are masters at that.

Bill Branen, publisher of the Burlington, Wis., Standard Press, told us a story last weekend about a congressman who is especially adept in the use of language and logic.

It seems this congressman received a letter from a constituent inquiring about the congressman's position on the use of whiskey. The politician's reply was as follows:

"MY DEAR FRIEND, I had not intended to discuss this controversial subject at this particular time. However, I want you to know that I do not shun controversy. On the contrary, I will take a stand on any issue at any time regardless of how fraught with controversy it may be. You've asked me how I feel about whiskey. Here's how I stand on this question:

"If, when you say whiskey, you mean the devil's brew, the poison scourge, the bloody monster that defiles innocents, dethrones reason, destroys the home, creates misery and poverty, yea, literally takes the bread from the mouths of little children; if you mean the evil drink that topples the Christian man and woman from the

pinnacles of righteous, gracious living into the bottomless pit of degradation and despair, shame, helplessness and hopelessness, then certainly I'm against it with all my power.

"BUT, IF when you say whiskey, you mean the oil of conversation, the philosophic wine, the ale that is consumed when good fellows get together, that puts a song in their hearts and laughter on their lips and the warm glow of contentment in their eyes; if you mean Christmas Cheer; if you mean the stimulating drink that puts the spring in the old gentleman's step on a frosty morning; if you mean the drink that enables a man to magnify his joy and his happiness and to forget, if only for a little while, life's great tragedies, heart-breaks and sorrows; if you mean that drink, the sale of which pours into our treasury millions of dollars which are used to provide gentle care for little crippled children, our blind, our deaf and dumb, our pitiful aged and infirm and to build highways, hospitals and schools, then, certainly, I'm in favor of it.

"This is my stand and I will not compromise."

Sincerely

Your Congressman

St. Peter's Calls For Blood Donors

The St. Peters Parish Red Cross blood drawing of 1975 will be held from 9 a.m. to 3 p.m. Saturday, Jan. 25 in St. Peters Social Center. In appreciation to those who are blood donors, President Gerald R. Ford has proclaimed the month of January as National Volunteer Blood Donor Month, saying he welcomed the opportunity to "salute these fellow citizens whose generosity has helped same so many lives."

For the last two years, St. Peters Parish in Antioch has enjoyed the benefits of being a member of the Mid-America Chapter of the Red Cross Blood Program. The parish is covered by the Red Cross' Group Assurance Program. Under this program, 20 percent of the parish's family units donate one pint of blood a year. This percentage or 180 units of blood is St. Peters quota for the 1975 years. The 180 units of blood will assure ALL members of St. Peters Parish, regardless of age or medical status, complete blood coverage. In addition to all of the parishioners being covered, coverage is extended to family members who might not be parish members at St. Peters including spouses, children under 18 years of age, parents, parents-in-law, grandparents, and grandparents-in-law; regardless of where they live in the United States, Canada, Puerto Rico and Virgin Islands.

All eligible parishioners are urged to call Mrs. Aschbacher at 395-0226 or Mrs. Ellen Ipsen at 395-2884 for a donor appointment. Two-hundred donors are needed to fill the bloodmobile schedule.

Hoogasian Suit Shunned By Board

The Lake County Board of Review has announced that it has no intention of participating in the suit filed last week by Lake County State's Atty. Jack Hoogasian.

The suit, filed in the Circuit Court in Lake County, seeks an injunction against the State of Illinois, Department of Local Government Affairs. The injunction would prohibit the State from applying multipliers in the same manner as was done during 1974.

Speaking on behalf of the Board of Review, the Chairman, John Jerry Murphy of Fox Lake, said:

"This action was taken by the State's Attorney without the approval of the board. I discussed this matter earlier with Mr. Hoogasian and advised him that I would not give him an answer until the entire Board of Review had an opportunity to meet and discuss it. Mr. Hoogasian did not wait for our answer and filed the suit anyway."

In its regular meeting on Jan. 10, the Board of Review decided not to participate in the suit.

"The Board was very concerned," said Murphy,

"over the situation that arose in Lake County during 1974 as a result of a similar lawsuit. The suit caused a delay in the issuance of a multiplier, which further delayed the extension of taxes, with the end result being that the tax bills were sent out late. The cost to the various taxing bodies which depend on this revenue was exceedingly high since many of them had to issue tax anticipation warrants which they ordinarily would not have needed."

Murphy said that a great deal of research work would be needed for a suit of this nature and that at present neither the Board of Review nor the Supervisor of Assessments Office had sufficient personnel available.

In addition to Murphy, the members of the board are Ellen Furtkamp of Zion and Ralph Swank Jr. of Libertyville.

Mrs. Furtkamp said:

"The Board of Review and the local assessors were delayed several months for the 1974 tax year as a result of last year's suit. The board did not want to create a situation where the entire assessment procedure was again delayed for the 1975 tax year."

Swank said that the Board is "very aware of the inequities created across the State of Illinois as a result of the Department of Local Government Affairs unequal application of multipliers."

"The people of Lake County," Swank said, "are being treated unfairly compared to the taxpayers in many southern Illinois counties. Due to the failure of last year's suit, however, the board is of the opinion that the only practical way for this matter to be remedied is for the Illinois Legislature to pass legislation correcting this problem."

Murphy said that "Judge

Strouse has retained jurisdiction in this area in the suit filed by Deerfield attorney Paul Hamer. It is the unanimous opinion of the Lake County Board of Review that this suit serves no useful purpose at this time. For all of these reasons, the board has sent a letter to Mr. Hoogasian asking that he file a motion to remove the Lake County Board of Review as a plaintiff in this suit."

70 YEARS AGO JANUARY 12, 1905

On Saturday occurred the annual meeting and the 50th anniversary of the Millburn Mutual Insurance company. The meeting was held in the Congregational church, which was hardly large enough to hold the crowd that had assembled.

On the Gaggin farm north of town was found a cent piece bearing the date 1798, a mintage of the year preceeding the death of Washington, and while he was in the presidential chair. The coin is worth a goodly sum to collectors and how it got where it was found is a mystery.

20 YEARS AGO JANUARY 13, 1955

Antioch's grade school stands to lose approximately \$8,000 in state aid under the new formula proposed by the interim education commission which would place the minimum at \$.49 on the \$100 valuation instead of the present \$.40. In other words, no aid would be forthcoming until the new minimum is reached locally.

County Judge Minard E. Hulse has taken under advisement a motion that he dismiss an indictment charging Harold Korwin, operator of the White Eagle resort at Grass Lake with possession of a slot machine.

10 YEARS AGO JANUARY 14, 1965

Current projections based on actual feeder grade school enrollment show that in the fall of 1967 the high school enrollment will be 1106. Ten years ago the enrollment was 445; today it stands at 987.

Lake Villa Arson Trial Date Set

A March 24 trial date has been scheduled for the two men charged with setting fire to the Cedar Inn Restaurant, Ralph's Gulf Service and the Park Automotive garage at Rt. 83 and Grand Ave. in Lake Villa.

Damage in the Dec. 6 fire was estimated at \$150,000. Brady Falzon, 22, of North Chicago,

and Averkos Livas, 23, of Waukegan, have been charged with setting that fire and also a fire that caused \$150,000 damage to a building on N. Genesee St. in Waukegan on Dec. 4.

The trial date was set by Circuit Judge Fred Geiger in Waukegan.

Science Books For Children

Doubleday & Co. will publish a series of science books for children in collaboration with the Museum of Science and Industry in Chicago.

The books will be designed to inform, stimulate, and challenge youngsters on a wide range of scientific and technological subjects, according to Dr. Thomas G. Aylesworth, senior editor for Doubleday's Books for Young Readers Div.

Dr. Victor J. Danilov, director of the Museum of Science and Industry, will coordinate the project for the Museum.

The first book in the series is "Supercars" by Dr. John Gabriel Navarra, Professor of Geological Science and former chairman of the Div. of Science at Jersey City State College. Scheduled to be published in May, it will trace the history of automobiles and discuss their impact on contemporary and future society.

Among the topics to be covered in the children's book series are forest products, trains, petroleum, the human body, and others to be announced.

Emphasis will be on explaining the nature, operation, and use of science-oriented subjects in an illustrative manner that can be easily grasped by youngsters.

Happenings around the community

Volunteers In Probation

The next Enrichment Series meeting for Volunteers In Probation will be held Jan. 21 at 7:30 p.m. Representatives from the Family Service Agency of North Lake County, Veterans Administration Hospital, States Attorney's office of Lake County and The Easter Seal Therapy Center will be present to acquaint the volunteers with the various resources available in the county.

The meeting will be held at the Adult Probation Department, 26 North Utica Street, Waukegan, Ill. All volunteers and interested citizens are invited to attend.

Women Of The Moose

Four new candidates were enrolled in Women of the Moose on Jan. 9. They were Helen Keister, Esther Kaub, Dorothy Ottenstroer and Rose Marie Robinson.

Forty-six women attended the Chapter Night program and a "Sing-a-Long" was conducted by Lillian Sorenson and Judy Page.

The chapter is planning a Green Cap Nite bus trip to the Cicero Lodge on Feb. 18. Persons interested in participating can contact June Balenger.

The next local meeting is Thursday.

Woman's Club Tour

The Antioch Woman's Club will hold their first meeting of 1975 Monday, Jan. 20 at 12 noon in the First National Bank meeting room.

After a brief business meeting, the members will adjourn for an on the site tour of the new facilities at the College of Lake County in Grayslake. Program Chairman Gay Sven promises a very interesting afternoon, as the trip has been made possible through the diligent efforts of Mrs. Helen Kopriva, a member of the CLC Board of Trustees and also a member of the Antioch Womens Club.

The staff and students of the College are very proud of the new facilities and, along with Mrs. Kopriva, are most anxious to show them off to the members of the Club.

Mental Health Association

The Antioch Mental Health Association held their election

of officers on Wednesday, Dec. 11. Filling the office of president this season will be Mrs. Ray Lorenz; vice-president, Mrs. Clarence Spiering; secretary, Mrs. Sherman St. Piere; treasurer, Mrs. Norman Jedeke; publicity, Mrs. Albert Bucar.

Members voted to send a check to The Grove School for \$5,000 and to the Lambs Farm for \$1,000. Both of these facilities are dedicated to helping handicapped children and young adults reach their full potential.

The association operates a Thrift Shop on the corner of Lake and Main Streets in downtown Antioch.

Spares Club Meeting

Warren Bruce Cheston, Chancellor, University of Illinois, Chicago Circle, will speak at the Sunday night meeting of the Spares Sunday Evening Club on Jan. 26, 7:30 at the Holy Trinity Lutheran Church, 2328 Central Road, Glenview. The title of his subject will be "Higher Education in the Next Decade."

The Spares Sunday Evening Club is a non-sectarian, non-profit organization for single, widowed and legally departed adults. Meetings are held at 7:30 on the 2nd and 4th Sundays of the month at the Holy Trinity Lutheran Church, 2328 Central Road, Glenview. This club with 27 different activities serves residents of Cook, Lake, Kane, McHenry and DuPage Counties. Guests are welcome. For membership information call Mary Karsten, Glenview 729-6257.

Pancake Breakfast

Y.M.C.A. Camp Jorn is having a Pancake Breakfast - Bake Sale Sunday, Jan. 26 at the Waukegan Y.M.C.A., 204 N. County, Waukegan, Ill. from 8 a.m. until 2 p.m.

All profits and donations will be used for camper scholarship and camp equipment.

Camp Jorn is a non-profit

Y.M.C.A. Camp located in the North Woods of Wisconsin. It offers a summer experience including swimming, canoeing, and many other outdoor activities for youth. The cost to the camper is among the lowest in the country.

Legion Of The Moose

The Christmas Pot Luck was a great success, with the help of the Stickler's frog legs and turtle, and the corsages presented to the ladies made by Anne. Adding to the pleasure at dinner, was the champagne from Ernie Cook to help celebrate a few birthdays.

After the minutes were read, Les Sperling was elected secretary, pending formal resignation of the previous secretary.

Share the Pot was won by Ray Stickler, and Anne won a beautiful cake made by Fran Fox, donated by Don Kennimer. Following the gift exchange, Ernie Cook led the games.

The next meeting is Jan. 18.

Scout's Annual Dinner

Brrrrrr.....It's really a shame to have this weather and no snow for all you snowmobilers; however, for myself I'll take 80 degrees any time.

Our congrats to Jean and Michael Lindstrom who became parents for the first time on Jan. 12. Michael Frederick was born at Victory Memorial Hospital and weighs 8 lbs. Delighted with their first grandchild are Mr. and Mrs. Ed Lindstrom (Joan works at the First National Bank).

Cliff and Betty Larusen celebrated their 25th wedding anniversary with all their family and friends last Saturday evening at a party at the Lindenhurst Civic Center.

Get wells to Bill Carney who is in Victory Hospital in Room 581 - he might appreciate some cards to cheer him along.

Our friend, Edna, from Reeves is still in Victory also.

Room 591 east, recovering from a broken hip. Hear tell she's doing fine and hopes to be home soon. I'm sure she'd also appreciate hearing from all her Antioch friends.

SPECIAL ANNIVERSARY WISHES to Mr. and Mrs.

Michael Schmidt of Oakwood Knolls. This lovely couple celebrates 55 years of wedded bliss on Jan. 19. Congratulations you two - We hope you have a very special day.

Birthday greetings to Bob Heubner, Chris Seeman and Andrea Payne on the 16th, to Peg Webb on the 17th, Tammie Dowell, Dan Mahar and Sandi Steward on the 18th and to Jeff Gutowski and Joan Bacznski on the 21st.

PEGGY AND BERNIE FOS-MARK and family returned from a super holiday trip to Venezuela. They visited friends in Maracaibo and were able to see some of the Andes mountains. Lots of fun and the weather was very agreeable. However, it seems like the

driver situation down there leaves lots to be desired. Their rules of the road are quite different from ours.

Congrats to our three time winner - Harry Stewart. For the last three weeks Harry has entered our basketball contest and won. Really a lucky streak for you - be sure to get some lottery tickets too!

REMEMBER - the blood drawing at St. Peter's parish is Jan. 25. Be sure to call Joan Aschbacher at 395-0226 or Ellen Ipsen at 395-2884 for an appointment.

Also ladies - the organizational meeting for the girls softball league is on Thursday, Jan. 16 at the State Bank.

Keep warm everybody,
Annie Mae

Beach Road Entrance Closed

SPRINGFIELD, ILL. - Beach Road entrance at Illinois Beach State Park will be closed to public use in a continuing effort to eliminate vandalism, said Tony Dean, director of the Conservation Department.

Closing of the entrance will not affect the Park's main entrance and exit - Wadsworth Road - which will continue to serve as the only accessway to both Illinois Beach State Park and the Nature Preserve.

Hopefully the measure will terminate a number of destructive activities, and stop the entry of unauthorized vehicles that have been using this accessway," said Dean. Other measures taken to control vandalism include adding four security patrolmen, repairing the west fence and installing 40 additional signs along the Nature Preserve boundary.

'Horse Course' Begins Tonight

The College of Lake County is offering a non-credit course entitled Horse Selection - Feeding & Caring. The course includes instruction in everything from breeding to raising the colt, and what to look for in a "showing horse."

The class will meet on Wednesdays for 10 weeks, beginning tonight from 7 to 10 p.m. The course will be taught by Jack Roth, a well-known horseman. Tuition will be \$20.

YOUR POLICE & THE COMMUNITY

Snowmobile Problems

By SUE SEDIVEC
Community Relations Officer

With the winter season, along with complaints of snow, ice and freezing cold, we are plagued with complaints of snowmobiles.

If people would operate these machines properly and abide by the law, there probably wouldn't be so many complaints.

As I see it, some snowmobilers are a nuisance, are very inconsiderate people, and are spoiling the fun for those who do ride them properly.

First of all, all snowmobilers must be registered with the state; therefore, they must display a license plate.

AS STATED in the Digest of Illinois Snowmobile Registration and Safety Act:

"It shall be unlawful for any person to drive or operate any snowmobile in the following ways:

A. At a rate of speed too fast

for conditions, and the fact that the speed of the snowmobile does not exceed the applicable maximum speed limit allowed does not relieve the driver from the duty to decrease speed as may be necessary to avoid colliding with any person or vehicle or object.

B. In a careless, reckless or negligent manner.

C. While under the influence of intoxicating beverages or narcotic or dangerous drugs.

D. At any time without at least one lighted head-lamp and one lighted tail lamp on the snowmobile.

E. Within one mile of any nature preserve.

F. On the tracks or right-of-way of an operating railroad.

G. In any tree nursery or planting in a manner which damages or destroys growing stock.

H. On private property without the written consent of the owner or lessee thereof.

I. The owner, lessee, or

occupant of premises owes no duty to keep the premises safe for entry or use by others for snowmobiling, or to give warning of any unsafe conditions on such premises.

OTHER INFORMATION, including licensing of snowmobiles, can be obtained through the Department of Conservation, 400 S. Spring St., Springfield, Illinois.

The village board is also in the process of establishing snow routes that will not interfere with residential areas.

The major complaint received is that snowmobiles are trespassing on homeowners' private property.

Private property can only be ridden upon with owners' consent. Honestly, now, most people must admit they don't have that consent and therefore are trespassing. I guess it seems easier to cut across someone's lawn than taking a longer route.

But if you're caught, or identified by license number, you will be fined. (And we encourage all complainants to ascertain a license number and good description whenever possible.)

So, as we see it, you have a choice:

- Accept the responsibility of

operating a snowmobile. Do not trespass. Stay away from residential areas and abide by the laws of snowmobiling. I'm sure you'll feel a lot safer and several Antioch residents will be a lot happier with you.

ABC's Of Travel

This time of year many people travel for the first time by public transportation. As a result, we get asked the same type of questions and the future client is a bit hesitant. I will try to explain and discuss the cost of booking through a travel agent.

Does it cost any more to book through a travel agent? NO. Agents are appointed by the air and steamship lines, railroads and bus companies as sub-agents. They also represent tour operators and car rental firms. When an agent writes your airline or steamship ticket, it is priced at the published tariff rate, the identical price you would pay if you purchased your ticket from the carrier.

Some agents do levy cancellation charges. They spend a great deal of time on a booking. He might make long distance calls or send cables. Just getting through to the airline or writing letters takes time. Changes are very time consuming. When a client cancels, the agent has nothing to show for

BLOOMINGTON, ILL. - Pamela Hunley, daughter of Mr. and Mrs. Joseph Hunley of Rt. 2, Antioch will play the role of a dwarf in the all-student production of "Snow White and the Seven Dwarfs," Illinois Wesleyan University's Children's Theatre presentation Jan. 17-19 and 24-26.

Wesleyan's version will include an original musical number and, for the first time ever at Wesleyan, the use of puppets on stage with live actors.

Hunley is a Junior drama major. She is a 1972 graduate of Antioch Community High School.

WURZBURG, GERMANY - Army Private Jeffrey S. Reynolds, son of James W. Reynolds, Lake Villa, Ill., is assigned as a truck driver in Headquarters Company, 2nd Battalion of the 3rd Infantry Division's 30th Infantry in Wurzburg, Germany.

Nancy Glover, senior, of 1234 Main Street in Antioch and Martin A. Phillippi, junior, the son of Mr. and Mrs. E. L. Phillippi of 562 Hillside in Antioch, are among the 128 students on the Honors List for

his services and, therefore, he may make a cancellation charge.

Remember that when you ask a travel agent to share his knowledge, and you do not book, he loses money. When you request him to mail brochures, and you don't book, he loses money. When you book a charter flight from another source but pump him for free information about hotels, dress, climate, etc., he loses money. The Honors List at Carthage includes those students who have completed at least 32 graded credits in residence and whose cumulative grade point average is 3.4 or better ('A' equals 4.0) and who have completed 16 credits in the previous term.

SAN ANTONIO - Airman James A. Anderson, son of retired Air Force Technical Sergeant and Mrs. Charles L. Anderson of Rt. 1, Antioch has been assigned to Keesler AFB, Miss., after completing basic training.

During his six weeks at Lackland AFB, Tex., he studied the Air Force mission, organization and customs and received special instruction in human relations.

The airman has been assigned to the Technical Training Center at Keesler for specialized training in the armament systems field.

Airman Anderson is a 1974 graduate of Antioch Community High School.

SCHWETZINGEN, GERMANY - Army Specialist Four Clarence C. Schroeder, son of Mr. and Mrs. Clarence C. Schroeder, Rt. 1, Trevor, Wis., is assigned as a bridge

specialist in the 541st Engineer Company in Schwetzingen, Germany.

Navy Machinist Mate Fireman Apprentice James R. Kanable, son of Mr. and Mrs. Kenneth R. Kanable of Rt. 4, Antioch, Ill. has returned to Norfolk, Va. after a six month deployment to the Mediterranean.

As a crewmember aboard the fast combat support ship USS Detroit, he helped provide fuel and supplies to U.S. and NATO vessels during the cruise.

Kanable and his shipmates also visited several Mediterranean countries, including Italy and Spain.

Two young Antioch men have graduated from recruit training at the Marine Corps Recruit Depot in San Diego, Calif.

They are Pvt. Douglas J. Behrendt, son of Mr. and Mrs. John T. Behrendt of Route 5, Antioch, and Pvt. Steven Guardt.

Physical conditioning, discipline and teamwork are emphasized during Marine recruit training.

Classes include instruction in close order drill, Marine Corps history, first aid, uniform regulations and military customs and courtesies.

Sequoits Score 185 Points in 2 Games

Perform Friday For Home Fans

They're putting new nets on the basketball rims at Woodstock and Lake Forest high schools.

Antioch's Sequoits wore out the old ones.

They bombarded the hoops for a 100-67 win over Woodstock last Friday and then raked Lake Forest over the coals 85-70 on Saturday.

THE SEQUOITS now have the best record in Lake County, 12 wins in 15 games, and will go after two more triumphs this weekend.

Grant plays here at 8:15 p.m. Friday and Antioch travels to Grayslake for an 8:15 game on Saturday.

Both are conference opponents. Antioch has a 4-0 record in the league and Grant is still a contender with a 3-1 record.

It should be an interesting game. Grant beat Wauconda by 13 points last weekend. Antioch beat Wauconda by 9 points on Dec. 20.

ANTIOCH COACH Roger Andrews feels his team has "real good momentum going now."

"All the kids did well last weekend," he said. "They exhibited a lot more hustle, determination and desire -- not only in the games but in practice."

Andrews didn't mean to run up 100 points against Woodstock.

"I wouldn't like it if another coach did that to me," he said. "But even our reserves played exceptionally well."

The Sequoits swished 68 percent of their field goal attempts. Mike Perrone led with 30 points. Russ Albano hit 16. Mike Witt 12, George Ferguson 10 and Mitch Witt 8. Scott Kimball and George Pierce each scored 6.

Perrone made 11 of 15 field goal attempts and 8 of 9 free throws.

AT LAKE FOREST, the following night the Sequoits rushed to a 16-4 lead and enjoyed a comfortable advan-

MIKE PERRONE, one of Antioch's stars, scored 30 points against Woodstock last Friday and then poured in 39 against Lake Forest on Saturday.

tage throughout the game.

The 6-3 Perrone, who had been averaging about 20 points a game, soared to 39 in this one. He made 15 of his 20 field goal attempts and 9 of 11 free throws.

Albano contributed 20 points and Kimball 14.

The Lake Forest coach, Bill Braman, said:

"Antioch is really good. Every one of those kids moves the ball well. They're all good shots and they're all quick."

"We played a full court press," Andrews said, "and we caused our rivals to throw the ball away a lot on both nights."

IN THE Northwest Suburban Conference, Antioch's 4-0 record is matched by Cary-Grove, which beat Lake Zurich 59-44 last Friday.

Antioch routed Cary-Grove 71-37 in the Barrington tournament at the start of the season and the teams will meet again, in Antioch, on Friday, Jan. 24.

Jaycees Donkey Basketball

The Antioch Jaycees have arranged for an evening of donkey basketball on Tuesday, Jan. 21 at the Antioch Community High School.

The first game will see the high school faculty battling the student "A" club members. Game number two will be between the Jaycees and the Antioch firemen.

Tickets will be available at

the door and may be purchased at all of the financial institutions in town or from any Jaycee member. Donation is \$1.75 for adults and \$1.50 for children. Proceeds from the event will go towards payment of the playground equipment for Jensen Park.

This event has been planned in conjunction with Jaycee week Jan. 19-25.

Ski Races at Wilmot

The first sanctioned Junior Alpine ski race ever held in the Chicago-Milwaukee area will take place Sunday near Antioch at Wilmot Mountain.

The First Annual Wilmot Cup Race is expected to draw 150 junior racers (age 8 through 18) from throughout the Midwest. The racers will be competing for points which eventually will qualify some of them to

compete in the Junior Nationals from which the 1976 Olympic ski team candidates will be selected.

A unique feature of the Wilmot Cup will be a dual slalom which pits two racers side-by-side on identical courses.

The dual races will begin at 1 p.m., with the awards ceremony at 4:30 p.m.

Wins \$15 in First Try At Contest

The winner of the \$15 in last week's Antioch News basketball contest had never seen the Antioch News before in his life.

But 27-year-old Dave Buscher, picked up a copy last week, decided to enter the contest just for fun, and came within four points of predicting the outcome of the Antioch-Woodstock game.

Antioch won by 33 points. Dave said the Sequoits would win by 29.

He lives in rural Antioch and is the basketball coach at Wilmot Junior High in Deerfield.

"I knew Antioch had been upset by Mundelein the week before," Dave said. "I also knew Antioch had a good team and probably would bounce back strong."

RUNNERUP in the contest was Kim Vasek of 617 Phillips Circle, who predicted Antioch would beat Woodstock by 27 points. She wins a \$10 savings account at the Antioch Savings

& Loan Association.

Winning third prize, a \$5 gift certificate at Rittenhouse & Embree Lumber Co., was Harry Stewart. Harry has established himself as one of the top experts on Antioch High School basketball. This was the third straight week that he has placed in the top three.

ANOTHER CONTEST appears in today's Antioch News. The "game of the week" is Friday's battle between Antioch and Grant. The tie-breaker will be Saturday's varsity game at Grayslake.

First prize once again is \$15. Second prize is two \$5 dinners at The Vault Restaurant and third prize is a \$5 gift certificate at Walsh's All-Seasons.

Just between us, you're making a mistake if you don't enter. Some of the winners have been experts, but a lot of them have admitted they were just plain lucky. Sometimes a guess is as good as inside information.

Sequoit Matmen Upset Woodstock

The Antioch wrestlers defeated Woodstock on their home mats 26-23 last Friday night.

Robin Aerne started off with a come from behind 10-8 victory at 98 pounds. John Davis and Brian Pardan ran off impressive victories at 105 and 112. Scott Shaffer ran into trouble at 119. Woodstock's Jesse Watson, like Shaffer a state qualifier last year, started their match with a quick takedown and almost caught Shaffer on his back. Scott quickly reversed Watson and caught him on his back and

almost pinned him, scoring a 3 point near fall to take a 5-2 lead. The rest of the match was scoreless as neither wrestler could escape the other's riding technique. Antioch followed Shaffer's win with a 4-0 win by Greg Nordstrom at 126, a 12-1 win by Dennis Thain at 132 and a pin by Bill Hogan in 2:50 at 138.

To run the score to 26-0 against most teams Antioch would have been assured of the win but Woodstock's following five weights were all powerful and Antioch could have still

Apaches Defeat Deerpath

Antioch Upper Grade School defeated its second dual meet opponent, Deerpath of Lake Forest, on Wednesday, Jan. 8 by a score of 37 to 18. Winning by decision for the wrestling Apaches were Jon Gibson, Kevin Murphy, Scott Peterson and Brad Warren. Pinning their opponents were Rob Crowell, Marvin Gibson, Tom Mehlhorn and Gene Lehn.

The "B" team won by a score of 45 to 25. Dan Brown, Don Kolle, Tom Poulos, Jeff Canella, Bob Wiatr, Bill Divis, Kurt Larson, aul Quinn, Hal Fox, Chuck Bogaerts, Mark Simmons, Ted Bessett and Tony Mingerelli won their matches.

The Apaches will wrestle Lake Villa today at Lake Villa.

Soph Wrestlers Still Unbeaten

Antioch's Sophomore wrestling team continued to win this past weekend with a 48-21 N.W.S.C. thrashing of the Silver Streaks from Woodstock. The win set the stage for next Friday's collision with always tough Grant High School. The Sequoits are currently 11-0 for the season and tied with the Grant Bulldogs for the N.W.S.C. leadership.

N.W.S.C. soph wrestling standings are:

Antioch 5-0; Grant 5-0; Grayslake 4-1; Woodstock 3-2; Round Lake 2-3; Warren 2-3; Wauconda 2-3; Cary-Grove 2-3; Lake Zurich 0-5; Stevenson 0-5.

Leading the Sequoits with pins in the Woodstock match were Geoff Nordstrom (4:54), John Kakacek (1:01), Bill Harland (3:31), Matt Ring (:40) and Bob Gossman (1:49).

This Friday, Jan. 17, the Antioch wrestling Sequoits will meet the Grant Bulldogs at Fox Lake beginning at 6:45 p.m.

Frosh Down Blue Streaks

Staging a second half rally, Antioch's freshmen Sequoits defeated Woodstock 41 to 26 last Saturday to remain undefeated in conference play. The win upped the Frosh league record to four victories and their overall record to five wins against only one loss.

Extremely poor shooting by Antioch during the first two quarters resulted in a 13 to 13 score at halftime. The young Sequoits connected on only 6 of 27 attempts. However, Antioch appeared to be in charge as Woodstock managed only 15 attempts. The Antioch zone press began to show its effectiveness in the third

quarter as the Blue Streaks committed several turnovers.

Tom Huebner led the team in scoring with 17 points and John Lars added 8. Lars led in rebounds with 10. Dennis Korjenek was credited with five assists on some sharp passing.

The "B" team also won by a near identical score of 40 to 24. Dave Walpole was leading scorer with 14 and Joe Vojtech was commended for good all around play.
